PREFACE

Nizar Rahim and MARK School of Architecture is established in 2014 with an objective of serving the nation and the world by graduating talented and broadly educated architects for dynamic and global careers. Nizar Rahim and MARK School of Architecture recognized by Cochin University of Science and Technology also approved by Govt. of Kerala and the Council of Architecture, New Delhi.

The College is located at Oyur, Kollam (which is 360 meter above from mean sea level, that is approximately the height of a 120 storied building).A truly sustainable design-our building is located on the top of a single rock of 10.5 sq.km span as according to the report of geological survey of India. Here we bring together the faculty and students who are interested in conducting research and learning on subjects of intense interest.

This institution offers five year B.Arch. programme for students who wish to enhance skill and increase expertise. The scenic location and strong links with the design community makes it a strategic educational centre.

Through contemporary and rigorous educational experience, we are dedicated to much more than producing technically competent designers and architects who facilitates personal commitment to the educational success in an environment that values diversity and community. We strive to motivate and guide students to think, be curious, to keep themselves open to sources of experience and learning, to be politically aware and socially responsive and take an independent position, respecting knowledge and people of knowledge, with humility.

OUR MISSION

To impart comprehensive education to produce professionals sensitive to sustainable development and contribute meaningfully to the society in shaping socio-cultural aspirations.

OUR VISION

The vision of our college is to promote academic excellence using state of the art technology to meet the global needs for qualified professionals by establishing and managing world class technical and professional educational institution and to create world class citizens promoting human values and traditions.

This college is a member in Architecture College Management Association [ACMA].
